Online and Mobile Banking Agreement

1. Introduction. This Agreement is the contract which covers your and our rights and responsibilities concerning the Online and Mobile banking and Bill Pay bill payment services offered to you by Providence Federal Credit Union. In this Agreement, the words you and yours mean those who submit a paper or Online and Mobile Authorization form and any authorized user. The word account means any one or more share accounts you have with the Credit Union.

By submitting the authorization for the Online and Mobile Banking service or by accepting or using the password to make any Online and Mobile Banking transactions, you agree to the following term governing your and our rights and responsibilities concerning Online and Mobile electronic funds transfer services. Electronic funds transfers (EFTs) are electronically initiated transactions through Online and Mobile Banking Online and Mobile services involving your deposit accounts.

2. Online and Mobile Banking Services. Upon approval, you may use your personal computer or mobile device(s) to access your accounts. You must use your member number or username, along with your password to access your accounts. The Online and Mobile Banking service is accessible seven (7) days a week, 24 hours a day. However, from time to time, some or all of the Online and Mobile Banking services may not be available due to system maintenance. You will need a personal computer and a web browser (such as Google Chrome or Microsoft Internet Explorer). For Mobile, you will need an iPhone or Android mobile device. You are responsible for the installation, maintenance and operation of your computer or device. The Credit Union will not be responsible for any errors or failure involving your computer or device. At the present time, you may use the Online and Mobile Banking service to:

Transactions involving your deposit accounts will be subject to the terms of your Membership and Account Agreement and transactions involving a line of credit account will be subject to your Loan Agreement and Disclosures, as applicable.

3. **Online and Mobile Banking Service Limitations.** The following limitations on Online and Mobile Banking transactions may apply:

   a. **Share to Share Transfers.** You may make share transfers to your other accounts as often as you like. However, transfers from your Money Market accounts will be limited to a total of six (6) in any one month. You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement or your deposit or loan agreements. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as primary member and will be mailed to your postal address of record. The Credit Union may set other limits on the amount of any transaction and you will be notified of those limits.

   b. **Account Information.** The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for any ATM deposit transactions and our Funds Availability Policy.

   c. **Secure Message Center.** You may use the secure message center to send messages to us. The message may not, however, be used to initiate a transfer or stop payment order on your account. The Credit Union may not immediately receive messages that you send and the Credit Union will not take action based on requests until the Credit Union actually receives your message and has a reasonable opportunity to act. If you need to contact the Credit Union immediately regarding an unauthorized transaction or stop payment request, you may call the Credit Union at the telephone number set forth in Section 5.

   d. **Bill Pay Service.** When you apply for the Bill Pay service you must designate your Checking account as the account from which payments that you authorize will be deducted. You will be given the ability to set up merchants, institutions or individuals that you would like to pay. You are not permitted to designate governmental agencies or courts. We reserve the right to not allow the designation of a particular merchant or institution.
You or any persons who you have authorized to use your Online and Mobile Banking Service can perform the following transactions:

(1) Pay any designated merchant, institution or individual in accordance with this agreement a fixed recurring amount or a variable amount on demand, from your designated Checking Account.

(2) Obtain information (payee information, payment status information, etc.) about your Bill Pay account status.

(3) Bill Pay Transactions. You authorize us to process Bill Pays from your designated account. You may use the Bill Pay service to initiate three different types of payment transactions:

- Non-recurring payments are payments that are not reoccurring. The payments can be canceled or changed through Bill Pay up until 12:00 Midnight before your Scheduled Debit Date.
- Future payments are payments that you initiate each payment by setting the payment amount and due date. The payment can be canceled or changed through Bill Pay up until 5:00 p.m. CST on the business day before the scheduled processing date.
- Recurring payments are payments that are reoccurring on a fixed due date and fixed amount. You have an option in the Bill Pay to set Automatic Payments to continue indefinitely or set a maturity date. The payment can be canceled or changed through Bill Pay up until 12:00 Midnight before the Scheduled Debit Date.

(4) Authorized Payments. When you transmit a Bill Pay instruction to us, you authorize us to transfer funds to make the Bill Pay transactions from your Checking account or any other account you designate. We will process Bill Pay transfer requests only to those payees the Credit Union has designated in its User Instructions and such payees as you authorize and for whom the Credit Union has the proper payee code number. The Credit Union will not process any Bill Pay transfer if we know the required transaction information is incomplete. In any event, the Credit Union will not be liable for any transaction that contains incorrect information that the Credit Union was not responsible for entering or knowing. If there are insufficient funds in your account to make the Bill Pay request, we may either refuse to make the payment or make the payment and transfer funds from any overdraft protection account you have established. The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous.

(5) Processing Payments. The amount of your requested Bill Pay will be deducted from your account on the Scheduled Debit Date and will be posted within two business days of the date that the payment is transmitted to the payee. You will receive a confirmation number at the time of each transaction. Therefore, you must have sufficient funds available to cover your
payment on the Scheduled Initiation Date. There is a dollar limit of $9,999.99 (or your available balance) on any payment.

Bill Pay payments are delivered to the payee either electronically, which may take up to five business days from the scheduled Debit Date, or by check to those payees not set up to accept electronic payments, which may take up to ten business days from the Scheduled Debit Date. It is your responsibility to schedule your payments in such a manner that your obligations will be paid on time. You should enter and transmit your Bill Pay instructions at least ten (10) business days before a bill is due. If you do not allow sufficient time, you assume full responsibility for any late payments or finance charges that may be imposed as a result of your failure to transmit a timely Bill Pay authorization.

(6) Cancelling or Changing Payments. Payments designated as on demand transactions cannot be stopped, canceled or changed once your Bill Pay session has ended. You may cancel or stop payment on Future and Recurring Bill Pay instructions under certain circumstances by following the instructions provided. If you discover an error or want to change a payment for a Bill Pay that has already been scheduled, you may electronically edit or cancel your payment request through the Bill Pay service. Your cancellation request must be entered and transmitted through the Bill Pay service before the date you have scheduled for payment. If your request is not timely entered, you will be responsible for the payment.

If you wish to place an oral stop payment on a recurring Bill Pay transaction, not using the Bill Pay service, the Credit Union must receive your oral stop payment request at least three (3) business days before the Scheduled Debit Date. You may call the Credit Union at the telephone number set forth in Section 5 to request a stop payment. If you call, the Credit Union may require you to confirm your stop payment request in writing within 14 days after the call.

4. Password.

a. Initial Access. After you have successfully completed and submitted the Online and Mobile Banking Online and Mobile application, the Credit Union will enable the Service within one business day. To log-on to the Online and Mobile Banking Service for the initial sign-on, you must use your password.

b. Password. The password that you select is for your security purposes. The password is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping of your password. You agree not to disclose or otherwise make your password available to anyone not authorized by you to sign on your accounts. If you authorize anyone to have or use your password, you understand that person may use the Online and Mobile Banking service to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your password and you agree that the use of your password will have the same effect as your signature
authorizing transactions. For security purposes, the Credit Union will periodically require the password to be changed.

c. Authorization. If you authorize anyone to use your password in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union and changing your password immediately. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your password is changed. If you fail to maintain or change the security of your password and the Credit Union suffers a loss, we may terminate your electronic funds transfer and account services immediately.

5. Member Liability. You are responsible for all transfers you authorize using the Online and Mobile Banking services under this Agreement. If you permit other persons to use your password, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has used your password and accessed your accounts without your authority. For Online and Mobile Banking transactions, if you tell us within two (2) business days, you can lose no more than $50 if someone accessed your account without your permission. If you do not tell us within two (2) business days after you learn of the unauthorized use of your account or password, and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as $500.

Also, if your statement shows Online and Mobile Banking transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may be liable the full amount of the loss if we can prove that we could have stopped someone from making the unauthorized Online and Mobile Banking or Bill Pay transactions. If a good reason (such as a hospital stay) kept you from telling us, we may extend the time periods.

If you believe your security code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (503) 215-6090.
